A LITTLE BIT ABOUT ME:

Hi, I'm Becky, a Graphic Designer and Creative Artworker with over ten years of experience working in agency and in-house environments. I have a very strong grasp of design principles, production workflows, and print processes, and I approach every project with a mix of creativity and strategic thinking.

I'm detail-driven, adaptable, and thrive under pressure, turning complex briefs into cohesive, visually engaging results.

I'm confident with communication and collaboration which helps me build strong relationships with clients and deliver work that hits both creative and commercial goals.

MY EXPERIENCE AND EDUCATION

ROOM11: SENIOR GRAPHIC DESIGNER (3 MONTH CONTRACT)

- Designed creative assets across digital and print channels, ensuring consistency with brand guidelines to enhance visual identity and strengthen the overall customer experience at every touchpoint.
- Translated complex ideas and data into clear, visually engaging designs that improve internal alignment and customer understanding.
- Led the development and design of a marketing strategy, collaborating with key stakeholders to transform conceptual ideas into cohesive, visually engaging outputs.

ROSEWOOD MAINTENANCE & LANDSCAPING: COMMUNICATIONS MANAGER (2024 – 2025)

- Implemented a new CRM system (Hubspot) & strategy with audience segmentation and a structured content calendar across email and social channels.
- Designed and built email templates within Hubspot, managed bi-weekly campaigns, and regularly analysed performance to optimise engagement and maintain a healthy domain reputation.
- Developed omnichannel marketing strategies aligned to business goals that ensured brand consistency and cohesiveness across all channels.
- Oversaw the website, keeping content up-to-date and relevant to maintain onsite engagement. This included producing a wide range of creative digital content for social media and blogs, driving stronger customer engagement and growth.
- Designed and liaised with printers to produce brochures and promotional materials to increase the commercial customer base.

TWOGETHER: MIDDLEWEIGHT CREATIVE ARTWORKER (2022 – 2024)

- Operated as a quality gatekeeper, finalising designs with precision, applying client amendments efficiently, and producing digital assets across all social media channels, that aligned seamlessly within brand guidelines.
- Communicated with clients and printers to assure projects were delivered on time and to high standards.
- Became a trusted mentor to junior team members, guiding them through best-practice artwork standards and workflow efficiency.
- Worked on presentation designs and pitch decks for prospecting clients.

IMMACULATE: CREATIVE ARTWORKER (2019 – 2022)

- Worked closely with clients and print production to transform creative concepts into polished, production-ready artwork, while maintaining meticulous attention to detail as the final checkpoint before print or online release.
- Developed my UX skills, creating website landing pages and supporting early app design projects, strengthening my capability to deliver visually compelling assets with a clear user-focused purpose.

GLASSUP & STOSKI: MIDDLEWEIGHT GRAPHIC DESIGNER (2017 – 2019)

- Worked with start up businesses across a multitude of industries to create compelling branding, designing and building their visual identities through website design (Squarespace, Wix, Wordpress), as well as creating social media content and printed materials.
- Continuously designed and produced high quality brochures & leaflets for **The University of Surrey**.

ALEMBA: JUNIOR GRAPHIC DESIGNER (2015 – 2017)

- Built a strong foundation for print and digital, while adapting to a fast-paced agency environment.
